

3" FLANGED PVC U GUARD >>>

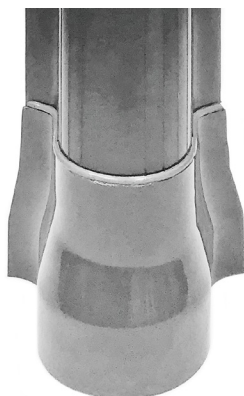

Pole Riser

CDF Utility Supply offers Power Mold® Pole Riser Systems complete with our exclusive U Guard reducer boots. Teaming with ILPEA Industries, we have developed an innovative U Guard System specifically for the Canadian Market.

Our proprietary system is modular, and consists of a length of PVC U Guard coupled with our custom reducer boot to render an elegant one-piece system. This has been built to withstand Canada's extreme all season weather conditions.

OUR SYSTEM

**Pole Riser +
Reducer Boot =
PVC U GUARD**

Reducer Boot

FEATURES
